PROFESSIONAL EXPERIENCE

Security Consultant, softScheck

Oct 2024 - Present

- Performed static and dynamic source code reviews, vulnerability assessments and configuration reviews for Windows, Linux, databases, and network equipment.
- Performed Host Configuration Reviews (HCR) on 900+ hosts, customizing audit files in XML with over 18,000 lines.

Business and Development Intern, softScheck

Jul 2024 - Oct 2024

- Collaborated with the Business Director to identify new product opportunities in cybersecurity.
- Analyzed data from 300+ companies, boosting company engagement and visibility by 10%.
- Worked with a team of 3 to design and execute a high-impact booth at Govware SG.

Cyber Security Consultant Intern, softScheck

Apr 2024 - Oct 2024

- Built a Project Management webapp to streamline calculation of required business resources (eg. man days) for 10+ different types of projects, saving 5 hours per week of manual calculation and projecting work.
- Performed HCR and VA for companies, identifying over 1000+ findings and vulnerabilities.

Piano Teacher, Music School

Feb 2020 - Jul 2021

- Taught piano to students aged 5-28, adapting teaching methods for diverse ages and personalities.
 - Earned recognition for improving a hyperactive student's attention span, fostering trust with the student's father who initially was apprehensive toward me being a particularly young teacher.
-
